

VT-682

RUGGED VEHICLE TABLET

KEY BENEFITS

- ▶ Supports Android-based waste management applications
- ▶ End-to-end in-cab installation service
- ▶ Cost-effective, fully rugged design
- ▶ Designed for use in and out of vehicles
- ▶ Hassle-free docking and charging
- ▶ Ergonomic design for mobile use

The VT-682 is an 8-inch rugged tablet designed to withstand rough treatment, dust and water ingress, and vibrations associated with in-cab use. Featuring built in GPS for positioning, the tablet also has 4G/LTE mobile connectivity. Running Android 9.0, the VT-682 is ideal for waste management and environmental services applications in challenging environments.

* Coming soon *
